I-695 at Charles Street
Interchange Project
Informational Meeting

The Maryland State Highway Administration (SHA) invites interested persons to attend an Informational Public Meeting for an upcoming project to replace the existing Charles Street bridge over I-695 in Baltimore County. The main objective of this project is to improve traffic flow and safety at the interchange and to provide a bridge which would allow for the future planned widening of I-695.

WHAT: The Informational Meeting will acquaint the public with the project and provide information on the proposed improvements and on what to expect during construction. Display areas will be set up explaining associated operational and safety improvements, and anticipated traffic impacts for this project will be discussed. SHA representatives will be available to discuss the project issues and answer questions. No formal presentation will be given. Feel free to arrive at any time and walk through at your own pace.

WHEN: **Tuesday, March 11, 2008 – 6:00 p.m. – 8:30 p.m.**
Snow Date: Tuesday, March 18, 2008 (same time & location)

WHERE: **MG Harry C. Ruhl Armory, Main Drill Hall**
1035 York Road, Towson, MD 21204

CONTACT: Mr. Jeff Folden, SHA's Project Manager
jfolden1@sha.state.md.us
410-545-8814 or toll-free 1-888-228-5003
Maryland Relay Service for Impaired Hearing or Speech can be reached at 1-800-735-2258.
Anyone needing special assistance to participate, please contact the Project Manager by March 4, 2008.

Please mark your calendars and plan to attend!
