

## Replacement of the West Nursery Road Bridges over MD 295 (Baltimore-Washington Parkway)

### **Traffic Impacts**

Bridge Replacements October 19-21 and 26-28  
using Self-Propelled Modular Transporters (SPMTs)

#### MD 295 (Baltimore-Washington Parkway)

- Left lane closed in both directions at 8:00 pm on October 19, 20, 26, 27
- **All through lanes closed** in both directions at 11:00 pm on October 19, 20, 26, 27
- Traffic can bypass work zone using West Nursery Road ramps
- Closures continue overnight

#### West Nursery Road

- Closed at MD 295 in both directions at 10:00 pm on October 19 & 26
- Detour via MD 295; follow signs
- Will not reopen until Sunday morning (October 21 and 28)

### **SPECIAL TRAFFIC MESSAGE:**

**Motorists urged to avoid MD 295 October 19-21 and 26-28**

***BWI Thurgood Marshall Airport and area  
sporting events are accessible from I-95 and I-97***

While motorists will be able to bypass the work zone during these closures, **substantial delays should be expected on MD 295 in both directions.** The Maryland State Highway Administration (SHA) is urging motorists to plan ahead and consider using the following alternate routes:

- I-95 (west of MD 295)  
Accessible from MD 295 via MD 32 west, MD 175 west, MD 100 west, I-195 west and I-695 west
- I-97 (east of MD 295)  
Accessible from MD 295 via MD 32 east, MD 100 east and I-695 east
