

US 220 Project Planning Study From I-68 to Cresaptown via US 220 and MD 53

US 220 Public Meeting Postponed

The Maryland State Highway Administration has postponed the US 220 Alternatives Public Workshop scheduled for June 15, 2015 at Bel Air Elementary School until this fall. The delay will allow the project team to take a fresh look at potential options to address transportation issues between I-68 and Cresaptown with the goal of minimizing community impacts. An announcement will be made once next steps are determined.
