

FR3275184

New Market Streetscape Project

Construction Update

March 18, 2015

Crew install a storm drain access hole on MD 144.

Please drive carefully through the work zone and beyond:

- Slow down and give the road your full attention.
- Observe new signs and flaggers during lane closures.
- Watch for construction equipment and working crews.

Crews patch areas that have been milled for storm drain installation.

Recent Accomplishments:

1. Crews are continuing to work on storm drain installation.
2. Crews are continuing to work on relocation of gas mains and house connections that are in the way of new storm drain structures.
3. Crews have begun removing existing trees in construction areas.

Upcoming work schedule:

1. Crews will continue to work on storm drain and will eventually be working on MD 144.
2. Crews will continue to work on gas line relocations.
3. Verizon crews will begin to work on line relocation.
4. The contractor will begin storm drain work at the east end of the project.

On behalf of Maryland State Highway Administration (SHA), I would like to thank you for your cooperation and patience. Please drive with caution through our work zone.

David James, Project Engineer
