

US 113 Widening (Phase 3)

WHERE: Worcester County

WHAT: This Phase 3 project involves widening US 113 to a four-lane divided highway from south of Massey Branch to north of Five Mile Branch Road (3.75 miles).

This phase is part of a larger multi-phase project that will widen US 113 to a four-lane divided highway from Market Street to Hayes Landing Road. **The remaining widening projects are being done in phases as funding becomes available.**

WHY: The wider roadway will improve safety and operations, and reduce traffic congestion caused by high seasonal peaks associated with summer resort traffic.

WHEN: The Phase 3 widening project is being advanced as a design / build project and is expected to start in early 2015. Construction is estimated to be complete in winter 2017, weather permitting.

COST:

Construction:	\$49 million in new funding announced May 12, 2014 (Fed: \$38.2M / State: \$10.8M)
Right of Way:	\$10.7 million
Total:	\$62.7 million
