The purpose of this Notice is to advise potential Contractor and Engineering teams that the State Highway Administration (SHA) will be holding an INFORMATIONAL MEETING on the following DESIGN-BUILD PROJECT:

- MD 210 at Livingston Road/Kerby Hill Road Interchange

Description:

The project consists of the design and construction of a grade separated interchange at MD 210 (Indian Head Highway) and Livingston Road/Kerby Hill Road. The project is located in Prince George's County and begins north of Wilson Bridge Drive and continues to the southern end of MD 210 Service Road B.

The specific project improvements consist of design and construction of a grade separated interchange; realignment of Livingston Road and Kerby Hill Road approaching the interchange; a new service road to maintain access to residential and commercial properties; new bridge structures, retaining walls, and noise barriers; new pavement construction and pavement rehabilitation of existing roadways and shoulders; reforestation; closed/open drainage systems; stormwater management quality and quantity facilities; stream restoration and relocation; signing, marking, lighting, and signalization; and culvert extensions.

The project will be procured using the Competitive Sealed Proposals process. SHA will be presenting an overview of the project and will answer questions at an Informational Meeting on Tuesday, July 8, 2014 at 10:30 AM at:

Maryland State Highway Administration Headquarters
211 Building, Training Rooms 2 and 3
707 N. Calvert Street
Baltimore, MD 21202

The presentation will include two parts:

- 1) A brief overview of the project including a description of design and construction activities
- 2) The procurement process for this DESIGN-BUILD CONTRACT

The SHA desires to receive feedback from contractors and engineering consultant firms in order to address any issues or concerns prior to the advertisement of this contract. If your company is interested in pursuing this contract, we encourage you to attend the presentation.

If you need additional information prior to this presentation, please contact the project specific email address at PG7005170_MD_210@sha.state.md.us.

DATE: June 6, 2014
