

NEWS RELEASE

SHA CLOSURES RIGHT LANE ALONG WESTBOUND LIBERTY ROAD AT BRUBAR COURT AND CROYDON ROAD IN LOCHEARN SUNDAY AUGUST 4

Temporary Closures Needed for Concrete Work at Two MTA Bus Stops; MTA Riders and Motorists Should Plan for Extra Travel Time

(August 1, 2013) – Construction work will result in closing the right lane of westbound Liberty Road (MD 26) in Lochearn between 5 a.m. Sunday, August 4 and 5 a.m. Monday, August 5. The 24-hour closure of the right lane of westbound Liberty Road at Brubar Court and at Croydon Road will allow the State Highway Administration (SHA) to safely pour and cure two concrete bus stop pads for Maryland Transit Administration (MTA) bus stops.

The left lane of westbound Liberty Road and all side street and driveway entrances will remain open Sunday; however, SHA urges motorists and MTA bus riders to plan ahead for extra travel time along Liberty Road between the Baltimore City/County line and I-695. MTA bus stops on westbound Liberty Road at Brubar Court and Croydon Road will be closed during the concrete pavement work at the bus stops. Brubar Court bus passengers may board the #52 line on Liberty Road at King James Court or the stop opposite the Sedgemoor Road intersection at Sunmar Court. Croydon Road bus passengers may board on Liberty Road at Buckingham Road

In case of inclement weather on Sunday, the weekend right lane closure and concrete work will take place the next possible Sunday (August 11 or 18).

Citizens with questions or concerns about the pavement resurfacing work along Liberty Road may contact SHA's District 4 Office – Construction Division at 410-229-2420, toll free at 1-866-998-0367, or by email: shadistrict4@sha.state.md.us.
