## New Market Streetscape Project

### Construction Update

August 19, 2016

Crew are excavating for driveway along MD 144 (north side)

Please drive carefully through the work zone and beyond:

- Observe new signs and flaggers during lane closures.
- Watch for construction equipment and working crews.

Here is a picture of a newly installed trench at 27 West Main St. along MD 144 (North Side)

#### Recent Accomplishments:

1. Crews are working on grading and curb for Prospect St.
2. Crews are completed installing trench drains for sidewalk water run off
3. Crews are completed concrete work in front of the schools
4. Crews are working on Marley St. improvements

#### Upcoming work schedule:

1. Crews will continue placing concrete sidewalk on north side of project.
2. Crews will install brick sidewalks on north side of project.
3. Crews will continue work on Prospect St and Marley St.
4. Crews will continue to address town and resident concerns as diligently and quickly as possible as work completes throughout town.

On behalf of Maryland State Highway Administration (SHA), I would like to thank you for your cooperation and patience. Please drive with caution through our work zone.

David James, Project Engineer

Maryland State Highway Administration
