FROM: Ms. Sonal Sanghavi, Director
Office of Environmental Design

DATE: October 20, 2014

SUBJECT: Fertilizer Application Restrictions

Per Maryland's Lawn Fertilizer Law (effective October 1, 2013), fertilizer applications associated with Section 705 – Turfgrass Establishment and Section 708 – Turfgrass Sod Establishment are prohibited between November 15th and March 1st. Please coordinate with your construction staff to ensure all fertilizer applications associated with these operations are made prior to November 15th in compliance with the law. As this is a State law, no exemptions or exceptions will be made.

Please direct the Project Engineers to complete the enclosed Fertilizer Reporting Form and submit to the Landscape Operations Division – Technical Resources Team. If you have any questions, please contact Kevin Wilsey, of my staff, at (410) 780-6221.
